This feature adds to its archaic nature and clearly indicates that this probably is a representative of the earliest issues of the series. The coin therefore, predates most of the known series of silver punch marked coins and is one of the earliest numismatic issues, **Rajgor Series 72, pp. 170, plate 15 (Var. 1122); Mitchiner pp. 810, (Type-a) and Hardaker pp. 110 (Var.
