Fractions are known in private collections, It was named Ilahabas इलाहाबास - meaning "abode of gods". It was never called "Allahabad" (city of Allah) that is just a colonial spelling / pronunciation. Ilahabad was Akbar's creation, Not just the fort which was build in AH 991 / 1583 AD, The fort is situated & stands on the banks of the river Yamuna. Akbar's fort was constructed in such a way that it enclosed the famous Akshayavata tree, where people would commit suicide in order to achieve salvation. The city ilahabad was founded by him as well; Ilahabad was established as a new city by Akbar near prayag which was just a religious location then. It was named as Out of respect as it was near a pilgrimage site, In AH 1008 / 1600 AD, Mughal prince Salim, the future emperor Jahangir, revolted against his father and established his own court in the Allahabad Fort. He commanded very little territory and was reconciled with his father shortly after, Coins of the Rebellion Issue of Jahangir are known with the same RY 44, making this coin an important link between history & coinage of Akbar the great. **Unlisted in KM**, very fine+, extremely rare.

Conditions of Sale

Please read these Terms of Use ("Terms", "Terms of Use") carefully before using the <http://virasatauctions.com> website (the "Service") operated by Virasat Auctions ("us", "we", or "our").

1. These are the conditions of sale ran and conducted by a licensed auctioneer based in Lucknow. The licensee Virasat Auctions will hereinafter be referred to as "Auctioneer". Placing or making a bid in this listed Auction constitutes acceptance by you and/or your company (the "Bidder") of all the conditions of sale stated within this document. Bidders may also include consignors. A consignor may bid and purchase lots consigned by a consignor as per their individual agreements.

2. The Auctioneer reserves the right to include its own material in any auction sale.

3. A Bidder acknowledges and agrees that any Buyer's Premium or other charges incurred by a Bidder is not payable by the Auctioneer.

4. A Bidder acknowledges that the Auctioneer may have access to information that is not publically available for any and all auction lots. Any claimed conflict of interest or claimed competitive advantage resulting from this information is expressly waived by all participants in any Auction sale.

5. The Buyer for any lot is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent. In the event of any dispute arising in an auction sale involving a Bidder or Bidders, the Auctioneer shall have absolute discretion to determine the outcome of any dispute or may decide to withdraw or relist the disputed lot.

6. The auctioneer reserve the right to postpone, rearrange or cancel an auction without notice at its sole discretion. Any individual lot or lots may also be withdrawn by Auctioneer without notice prior to the bidding process being open. Any Bidder accepts that the Auctioneer or Consignor shall not be liable for any costs or damages arising from either the withdrawn of material at the auction or the delay or cancellation of the auction.

7. The Auctioneer reserves the right and has absolute discretion to alter lots whether combining lots, dividing lots or withdrawing lots from the auction process without giving reason. All bidding shall be regulated by the Auctioneer and at their absolute discretion they shall have the right of refusal for any or all bid(s).

8. Any estimate figures for auction lot(s) are provided by the Auctioneer as an expected sale price only. Any listed price is not a representative of any possible reserve price and are published for the benefit of Bidders as a guide only. The Auctioneer reserves the right to reject any bids lower than the lot(s) estimate. Bidders may only bid within or above the estimated sale price for any particular lot(s).

9. Lots may carry a Reserve price. Reserve prices are confidential and Bidders will not be made aware of the reserve associated with any lot(s). The Auctioneer will not sell an item below reserve price or will re-purchase on behalf of the Consignor or Auctioneer. The Auctioneer reserves the right to place bids on behalf of the consignor up to the amount of a reserve price established by the consignor.

10. The Auctioneer shall not be responsible for any default by either buyer or seller or for any action, loss or claim arising in any lot.

11. Any and all item bids will be opened in numerical order. If more than one identical bid is received and represents a winning bid then the winning Bidder will be the earliest received chronologically. The decision of the Auctioneer in identifying the winning Bidder shall be final and at their sole discretion.

12. Only a registered member is allowed to bid in any auction. Each individual auction undertaken by the Auctioneer requires a new registration. Registration for a previous auction does not preclude or automate inclusion in another.

13. The registration process may require your Client ID and/or you may be required to fill a registration form. The registration form will require but may not be limited to your address, telephone number, and signature. After registration you will be allotted a numbered paddle to bid.

The Auctioneer reserves the right to prevent Bidders from registering or taking part in any auction where previous bills are outstanding. If a Bidder defaults on payment the Auctioneer reserves the right to forfeit the registrants Security Money Deposit and this will not be returned.

16. Bidding commissions for registrants unable to attend the auction in person may be carried out by the Auctioneer without charge and in strict confidence. Any "BUY" commissions will only be accepted, solely at the absolute discretion of the Auctioneer.

17. The Auctioneer shall endeavour to make all efforts possible to enter and execute bids received by E-mail, Fax or by other means. However, the Auctioneer shall not be liable for any errors for incorrectly entered or incorrectly executed bids. Bidders are solely responsible for their bids made through any method including any errors they may make in doing so. The Auctioneer reserves the right to refuse and reject any unsigned bid sheet received.

18. All lots are sold as shown with all faults, imperfections and errors of description. Neither the Auctioneer nor the seller shall give or provide warranty to any buyer in respect of any lot, or be liable for any fault or error contained in a lot description. All statements as to the items sold, whether made in catalogues, during the course of the auction, or otherwise are statements of opinion only. Such statements are not to be taken as representations of fact and Bidders should carry out due diligence as they require. The Auctioneer reserves the right in forming his own opinion and to have the ability to consult and rely upon any expert or authority considered by him reliable. Notwithstanding the aforementioned terms if a winning Bidder finds that any lot should have been wrongly described in any material aspect, the buyer may reject the same. In doing so a Bidder must provide written notice of intention to do so and shall have returned the same item(s) to the Auctioneer within seven (7) days from the day of the sale. Bidders accept that the Auctioneer will not be responsible or liable for any costs, expenses or damages incurred by a lot or its return including, but not limited to, loss of any kind or profit whatsoever.

Any payment via accepted online payment processors will also be subject to a 3% surcharge but may vary depending on the individual processor.

24. The Auctioneer will not be liable for any lots left for more than seven (7) working days after the date of sale. The Auctioneer reserves the right to relist, re-sell or charge storage for any such lots. Buyers shall not be entitled to remove lots from the auction room during the course of the auction.
